

Edify Summer 2023 Internship Opportunities

(Marketing, Field Experience, or Development Administrator)

Mission: To improve and expand sustainable Christ-centered education globally.

The Edify Internship Program (EIP) provides a unique opportunity for rising juniors and seniors in college to learn first-hand about Edify's work and mission as well as share their own gifts and expertise to be an integral part of projects as Marketing, Field Experience or Administrative interns! Interns will present their work at the culmination of the experience, leaving with solid learning and completed projects!

Interns will support the Edify staff, participate in spiritual formation book studies, prayer groups, and organizational core values discussions with staff around the globe...powerful and meaningful experiences!!

Edify operates in Africa and Latin America, offering three key resources to school owners around the world to build sustainability, grow their student enrollment, and provide quality, Christ-centered education:

- School leader and teacher training
- Loan capital
- Education technology

Internship Dates: May 15 - July 20, 2023 (Monday to Thursday), flexible, as needed

Location: Chapel Hill, North Carolina or Dominican Republic (depending on role)

Travel: Costs covered by Edify for travel and international field experience

Internship stipend provided.

To apply, email your resume to communications@edify.org and complete this Google Form: <https://forms.gle/dB3ZPzhBQECT4WY6>.
